Poster Session: Research Funding Opportunities and Data Resources - Monday, Aug 13. 9:30am – 12:30 pm.

New Data from the Fragile Families and Child Wellbeing Study: Year 15 and Metadata Resources

Kristin Dunham Catena, Thomas Hartshorne, Maria Canals, Princeton University

Please join us for this poster session highlighting the data now available from the Year 15 follow-up wave and our soon-to-be-released web-based metadata resources for researchers. Our study staff will be available to answer your questions and tell you about these new data and resources!
