

FFCWS Restricted Use Contract Data Preliminary Application Form

What to include in your Preliminary Application

Before beginning work on the full application, researchers should send a draft of their:

1. extended abstract,
2. a CV for each person who will be included in the application,
3. and the form below

to CRCW (c/o ffdata@princeton.edu) in order to get preliminary approval.

Please check off which file(s) you are requesting for your project and provide a description of how that file will be used. For descriptions and documentation about these files, see our [Restricted Use Contract Data webpage](#).
