

**Fragile Families and Child Wellbeing Study Restricted Use Contract Data:
New Contextual Data Preliminary Application Form**

Applicant's(s') Name(s): _____

Project Title: _____

What to include in your Preliminary Application

Before beginning work on the full application, researchers should send:

1. a structured abstract (description below),
2. a CV for each person who will be included in the application,
3. and the data request form below

to CRCW (c/o ffdata@princeton.edu) in order to get preliminary approval.

Structured Abstract

The structured abstract should be a maximum of two single-spaced pages and should address the following: research questions, which new contextual data you want to add, and justification for why adding the new contextual data is needed for this project.

Data Request Form

1. What is the source of the raw data you would like to be added to the FFCWS data?

2. Please provide a brief description of the data you would like to be added to the FFCWS data including the level of geography, years of data (if applicable), and general content of the data file.

3. Is the data you would be sending to us free and publicly available?
Yes No
 - a. If no, do you have permission for these files to be shared with other researchers?
Yes (Please include a copy of the permission in your application)

No

4. Which file format would you be sending us?
Stata CSV

5. Number of files you would be sending us: _____
6. The number of variables in the data you would be sending us: _____
7. The variable name(s) we should merge on in the file you would be sending us (i.e. the name of the geographic identifier(s) and date variables, if applicable): _____
8. Please use the table below to choose 1) the wave(s) of FFCWS data that you want your data to be merged on; 2) the location from FFCWS which would want your data to be merged on.

	Baseline (1998-2000)	Year 1 (1999-2001)	Year 3 (2001-2003)	Year 5 (2003-2006)	Year 9 (2007-2010)	Year 15 (2014-2017)
Census 2000 tract	Mother	Mother	Mother	Mother	Mother	
	Father	Father	Father	Father	Father	
Census 2010 tract						PCG
NCES School Code				Grade 1 school	Year 9 school	Year 15 school
School District Code				Year 5 school	Year 9 school	Year 15 school

9. Is there any other information we need to know for the data merging? (For example, are there specific years in your raw data you want to merge to each wave of the FFCWS data?) If yes, please describe below:

10. Which file format do you prefer for your data files?

Stata CSV SPSS SAS

11. Other things we should know about the file you would be sending:
