INTRO: As I mentioned, the interview with you will take about an hour. I will ask you questions about you and {YOUTH} and your household. Please be as accurate as possible. You may recognize some questions from previous interviews, but it is important for us to ask them again. All parents or guardians participating in the study are asked the very same questions. Occasionally, I may have to ask a question that does not apply to you or may seem sensitive in nature. Although it's important for us to get answers to all the questions we ask, if you do not want to answer a particular question, just tell me. Please remember that all your answers are confidential. This call will be recorded for quality control purposes.

IF INTERVIEW IS CONDUCTED OVER THE TELEPHONE, SAY TO PCG:

If at any time during the interview, you are worried that someone is near you and can overhear your answers, please feel free to ask me for a short break. I'd be happy to wait while you move to a more comfortable place to finish the interview.

IF INTERVIEW IS CONDUCTED IN PERSON, SAY TO PCG:

We should find a place that is private, so no one can overhear us. If at any time during the interview, you are worried that someone is near you and can overhear your answers, please feel free to ask me for a short break. I'd be happy to move to a more comfortable place to finish the interview
